Pursuant to your request for an Ag/Timber use appraisal, our field appraisers will be required to follow up with an onsite inspection.

The information requested below will help our staff to expedite your application.

Please answer the following questions and return this letter with your application.

- 1) What is the location of your property? (nearest road, intersection, landmark, etc.)
- 2) What methods of access are there? (locked gate, gap, private drive, etc.)
- 3) Do we have permission to enter the property beyond a locked gate and/or no trespass posting for the purpose of this inspection?
- 4) Must we cross anyone else's property to gain access?
- 5) Do we need to be accompanied by a property owner or a representative of the owner? (caretaker, etc.) If so, how may we contact this third party?
- 6) Are the boundaries clearly marked? How?
- 7) Please use the remaining space (attach additional paper if needed) to provide a sketch/map showing all points of access and to list any pertinent information that would help identify your tract from any other. If you have a survey plat available, we would appreciate access to it. This would be most helpful in evaluating your land for special use valuation.
